The kids will have opportunities to walk/run during gym class to earn miles, but are also encouraged to walk/run at home. Registrants will receive a Flying Pig T-Shirt and other goodies one week before the event. Every child registered for the Kids' Marathon will also receive two free tickets to Flying Pig Night at the Ballpark (Monday, May 7th). **Also, everyone registered by March 12th will receive a St. B Flying Pig t-shirt in our school GREEN.** Registration is only \$15 for the Kids' Marathon. If an adult plans to be on the marathon course with their child, they also need to register (and will receive a t-shirt and goodies as well).

THE BIG DAY

If you do not plan to walk/run, you can stay with your child until the marathon starts and then take a shortcut to the "Finish Swine" to watch your child complete the 26th Mile of his/her marathon and cheer us on from the sidelines! Regardless, there will be St. B adults with the kids during the race and we will all start together in our matching shirts!
