= Athletic Champ Camps

= Blast Off for Fun Camps

Week of June 3, 2019

Morning Sessions

MADCAP PUPPET WORKSHOP (June 4, 9:30-11:30 a.m.)

Madcap Puppets and McNicholas Student Ambassadors

Students entering grades K-4

Campers will build and take home their very own Madcap puppet! Then, campers will break into small groups to create a small puppet show under the direction of a McNicholas Student Ambassador. All supplies and McNicholas camp t-shirt are included.

Where: McNicholas High School Library

Cost: \$25

Min of 10 campers, Max of 20

ROCKET BASEBALL CAMP (June 3-5; 9:30 a.m.-noon)

Head Baseball Coach John Christmann, assistant coaches, and current Rocket baseball players

Students entering grades 5-9

Campers will focus on hitting, fielding, pitching, drills, fundamentals, and FUN! Campers should bring baseball gear, including cleats.

Where: Penn Station Stadium

Cost: \$85

Afternoon Sessions

GIRL POWER! (June 3-6, 1-3:30 p.m.)

McNicholas Librarian, Mrs. Chelsea Almer

Students entering grades 2-5

Join us for another exciting year as we learn about women who have made a difference in the world. We will learn about many fearless women in history who have made the world a better place. We will have crafts, songs, and games. Returning campers are welcome as we will be learning about a new group of inspirational women.

Where: McNicholas High School Library

Cost: \$85

Min of 8 campers, Max of 15

INTRODUCTION TO MUSICAL THEATRE (June 3-6; 1-3:30 p.m.)

McNicholas Theatre Director and Broadway veteran, Teresa De Zarn

Students entering grades 3-8

Warm up your vocal chords and put on your dancing shoes for a fun-filled week of musical theatre with Broadway veteran Teresa De Zarn. Participants will learn acting methods and techniques for musical song and dance, with their work culminating in a week-ending performance.

Where: McNicholas High School's Jeanne Spurlock Theatre

Cost: \$130

Min of 8 campers, Max of 20

Week of June 10, 2019

Morning Sessions

M BOYS BASKETBALL (June 10-13; 9 a.m. -12:30 p.m.)

Head Men's Basketball Coach Tim Monahan

Boys entering grades 2-8 (students will be divided in age appropriate groups)

Campers will focus on teamwork, defense, passing, shooting, and ball handling.

Shooting drills and contests round out the week.

Where: McNicholas Main and Auxiliary Gyms

Cost: \$100

M BOYS LACROSSE (June 10-13; 9 a.m. -12:30 p.m.)

Head Men's Lacrosse Coach, Jeffrey Shepard

Boys entering grades 5-9

This camp is designed for boys interests in learning more about the game of lacrosse. No experience is needed.

The camp will teach fundamentals and promote fun. Campers are required to have helmets, gloves, and arm pads. The is a low contact camp.

Where: Penn Station Stadium

Cost: \$80

Min. 40 campers, max. 100

LANDSCAPE AND STILL LIFE PAINTING

(June 10-13; 9:30 - noon)

Art Teacher, Willy Corbett

Students entering grades 3-9

Campers will experience acrylic painting, landscape, and still life. A variety of approaches and styles from realism to non-objective abstraction will be explored. Painting experiences will include pastel, oil pastel, watercolor and acrylic. Campers will learn to sketch and prime canvas, learn to mix colors, and apply paint in a variety of ways.

Where: McNicholas Art Studio and campus

Cost: \$90

STEAM EXPLORATIONS LEVEL I (June 10-13; 9:30 - noon)

Science Teacher, Cat Lest

Students entering grades 1-4

Join us for a week where we explore the many facets of science, technology, engineering, art, and math. We will be using state of the art equipment to explore scientific wonders, overcome obstacles using engineering, and utilize detectors to analyze the motion of different objects. We will look for and replicate the art in nature, learn how light and color help us view the world, and practice what it means to be a real scientist.

Where: McNicholas Science Department

Cost: \$100

Afternoon Sessions

M BOYS BASKETBALL MINI-CAMP (June 10-12; 1:30-4 p.m.)

Coach Tim Monahan

Boys entering grade 9

This camp is designed to help prepare players for the transition from junior high to high school basketball.

Where: McNicholas Main Gym

Cost: \$85

M STEAM EXPLORATIONS LEVEL II (June 10-13, 1-3:30 p.m.)

Science Teacher, Cat Lest

Students entering grades 5-8

Come and explore the natural and man-made world through the lens of scientists, engineers, and artists! Together, we will design a disaster-proof building, identify symmetry in nature, and evaluate materials to engineer the best landfill. We will also use state of the art technology to perform a GPS scavenger hunt, analyze rocket motion, and view microscopic organisms. We will create art using things found in nature and even meet some Ohio native creatures!

Where: McNicholas Science Department

Cost: \$100

Min of 10 campers

Week of June 17, 2019

Morning Sessions

M GIRLS VOLLEYBALL (June 18-20, Tues-Thurs)

Head Women's Volleyball Coach, Melissa Luckey

"Focus on Fundamentals" volleyball camp is a high energy, high intensity style of training. Through repetition, it teaches and reinforces the fundamentals of volleyball. The camp blends competitive instruction with fun game play, while introducing girls to McNicholas' volleyball program.

Grades 3-5: 9-10:30 a.m.

Grades 6-7: 11 a.m. -1 p.m.

Grades 8-9: 1:30-3:30 p.m.

Where: McNicholas High School Main Gym

Cost: \$80

M TRACK AND FIELD (June 17-20, 9:30-noon)

Head Track and Field Coach and McNicholas Hall of Fame Inductee, Cat Lest

Students entering grades 5-8

Campers will be introduced to many of the Ohio state-sanctioned track and field events, including sprints, distance, long jump and throws. The camp will also educate participants about proper warm up and cool down techniques, stretching, form running, race strategy, starting blocks, nutrition, and injury prevention. Finally, the camp will conclude with a track meet, where all participants will get a chance to show off what they've learned. Each camper needs to bring a water bottle and running shoes.

Where: The Finn Track in Penn Station Stadium, McNicholas High School

Cost: \$100

Afternoon Sessions

EXPERIENCE ART! (June 17-20; 1-3:30 p.m.)

McNicholas faculty, Willy Corbett and Mary Beth Sandmann

Students entering grades 3-9

Campers will explore color, space, and texture through a variety of methods for designing and creating artwork. Creative thinking skills will be tapped through techniques in fibers, batik, printing, painting, and drawing. Campers will develop art to wear and art for display.

Where: McNicholas High School Art Studios

Cost: \$90

HIGH SCHOOL PLACEMENT TEST PREP (June 17-20; 6-8:30 p.m.)

Instructor: Emily Mulvey, Crescendo Cincinnati

Students entering grades 6-8

This workshop prepares students through test familiarization, content review, identifying specific strategies for the various question types on the HSPT, and learning techniques for harnessing test anxiety. Workshops include kinesthetic learning activities, which means students are moving and engaged while they learn and, therefore, are able to better recall strategies and question types. Students will take home a book, study guide, and will have access to our online refresher program to utilize up to the **November 2018** test date in order to practice their HSPT skills. Crescendo Cincinnati has been a leader in HSPT prep since 2007. Campers should bring a water bottle, snack and writing utensils. **Limited to 25 students.**

Where: McNicholas High School

Cost: \$120

HSPT FULL-LENGTH DIAGNOSTIC EXAM WITH SCORE REPORT

(June 21; 6-9 p.m.)

Instructor: Emily Mulvey, Crescendo Cincinnati

Students entering grades 6-8

Bring a water bottle, snack and writing utensils.

Where: McNicholas High School Theatre

Maximum 25 students.

Cost: \$60

Week of June 24, 2019

JUNIOR DETECTIVE ACADEMY (June 24-27; 9:30 a.m. - noon)

Instructor: Detective Ken Mullis

Students entering grades 4-8

Do you like mysteries and solving puzzles? Do you love to watch shows about forensic science and criminal investigations? Whether you're interested in law enforcement as a career or just curious about what detectives do, we invite you to join us for the week. You'll learn how to identify fingerprints, collect and preserve evidence, process a mock crime scene, and use the tools detectives use to solve crimes. Campers will also learn about making healthy and safe decisions. Successfully complete the academy and you'll graduate on the last day as a junior detective!

Where: McNicholas High School Café and Student Union

Cost: \$50

Min. 10 campers, max 25

HIGH SCHOOL PLACEMENT TEST PREP (June 24-27; 9:30 a.m. - noon)

Instructor: Emily Mulvey, Crescendo Cincinnati

Students entering grades 6-8

This workshop prepares students through test familiarization, content review, identifying specific strategies for the various question types on the HSPT, and learning techniques for harnessing test anxiety. Workshops include kinesthetic learning activities, which means students are moving and engaged while they learn and, therefore, are able to better recall strategies and question types. Students will take home a book, study guide, and will have access to our online refresher program to utilize up to the **November 2018** test date in order to practice their HSPT skills. HSPT FULL-LENGTH DIAGNOSTIC EXAM WITH SCORE REPORT

(June 28; 9 a.m. – noon)

Instructor: Emily Mulvey, Crescendo Cincinnati

Students entering grades 6-8

Bring a water bottle, snack and writing utensils.

Where: McNicholas High School Theatre

Maximum 25 students.

Cost: \$60

Refund Policy:

1. No refunds will be issued two weeks prior to the first day of camp. This includes no-shows or voluntary non-completion of camp. Camps are not prorated for vacation or missed days.
2. We reserve the right to cancel or combine programs with fewer than 8 campers. A full refund will be given if we cancel a program.

Other Camps Offered on Campus

These camps are not affiliated with McNicholas and require registration directly with the organization.

Laffalot Camp

Laffalot Summer Camp offers kids 6-12 years old a week of fun-filled activities. Led by well-trained counselors, your child will spend the day playing high-energy sports and games that help them develop teamwork, build whole body coordination, improve interpersonal skills, learn sportsmanship, and enjoy friendly competition.
