

Get Ready for:

The “Spring into Summer” **Spring Concert!**

Monday, May 15th, 2017

What to wear:

Please do not go to any great expense! We hope that the following requests match what your child may have worn for Easter Mass, or may already own. If not, perhaps a minimal purchase will do the trick!

BRIGHT and POPPIN' colors, please! Keep drab white, black, brown, navy, and hunter green in your closet! Favorite colors: Bright Green, Yellow, Caribbean Blue or Turquoise, Red, Purple, Orange, Pink, and Neons. (no decals, slogans, etc.) Prefer solids.

Ladies: BRIGHT/COOL Spring dresses preferred. Must be at appropriate length - mid-thigh is too short! Solid from waist up is preferred, but florals are OK. No halters, midriffs, or cut-away shoulders. Modest, please! Long cotton skirts with solid blouse are also OK. Dress pants or capris NOT preferred. This is a concert!

Gentlemen: Khaki slacks or dress pants with BRIGHT solid shirts within our color-scheme above and long, colored neckties!

Dress shoes (like Christmas Concert). No flip-flops. Sandals that buckle around the ankle are OK.

As always, get your helmets on for a Rockin' Good Time!
