ANIMAL SHELTER

The **sixth grade's community service project** is in support of animal shelters. Families are asked to send in items that animal shelters need to support the rescue and care of homeless animals. An incentive for these donations is a friendly homeroom competition where specific items are worth a certain number of raffle tickets. At the end of the shelter-drive, a ticket will be drawn and the winning homeroom will win an ice cream party. For a list of needed items and their value for the raffle, [see the flyer](#).
