

**IMPORTANT NOTICE: GRADELINK grades down on Sunday and Monday**

We will be experimenting with the report card function on Gradelink this Sunday and Monday. Parents and students will not be able to see this trimester's grades during that time. Our intention is to have access to grades available again by 5 p.m. on Monday. Thank you for your patience in this matter. We need a chance to artificially close the trimester, run reports, and make sure the numbers all go to the right compartments. If something changes, I will let you know. In the meantime, you might want to check your student's grades and assignments before Sunday morning, so you have the most up-to-date information. Thank you!
