We LOVE our Grandparents!

Thank you to all the grandparents and other special persons who celebrated with us yesterday. We had over 200 guests! We really enjoyed being at Mass with you, and sharing our classrooms in the morning. Special thanks to: Fr. Tim and Ms. Selm for making the liturgy so accessible and spirited; Mrs. Lana and our choir, Collage, for all their preparation; Ms. Selm's leadership in all the planning, and for preparing the readers; homeroom teachers, room parents, and PTO for the warm hospitality. What a lovely morning!
