

Good Evening!

Please access the revised [Parent-Student Handbook](#) on our website. It has been updated to reflect the changes in our lunch program, Gradelink, student health, student/parent expectations and school communication, among others. A form acknowledging that the handbook has been made available to you, and that you and your student(s) agree to abide by it, went home today (one per family). Each student and one parent must sign the form, and return it to school.

Handbooks are living, “breathing” documents, and may need revision at any point. If there are any additional changes to be made, I will email you the change in policy and re-post the handbook.

The 7th Annual “St. B Uncorked” is coming up on Saturday, November 5th in the gym from 6:30 – 11:00. **Please save the date!** Advance tickets will be \$10 for one ticket/\$15 for two.
