

The Magazine Drive is Underway

The "Little Book" was due yesterday and students are sporting their lanyards and Coops this afternoon. We have already received some order forms, and online orders are also coming in! Mrs. Flowers is our coordinator, and she stocks the prizes for each homeroom. She collects the orders brought in every day, and runs a report for online ordering at 3 p.m. Students receive their Coop prizes the next day. Please note: Online orders submitted after 3:00 p.m. will be counted for the following day's collection, so Coop will arrive two days later. Coop keychains are awarded during the first week of the drive. Sales from the second week add to your student's totals, and may be rewarded by the second level of prizes, depending on the number of sales/donations.
