Dear St. Bernadette Families,

Happy Valentine's Day! I'm sitting with my leg elevated and the Polar Cube (a continuous icing device) is in full swing. My recuperation is almost on schedule - I had a small setback early on - but I am getting a little stronger each day. Thank you for the prayers you send my way.

From the pictures I've been sent, Spirit Week seems to be a good success with lots of fun clothing combinations! Thank you for supporting the 8th graders' fund-raising efforts between this week's outfits and the Valentine grams purchased for today. Likewise, it's been fun to view the talent show on video. I know it was disappointing to have Catholic Schools Week so chopped up, but I'm glad we were able to reschedule the lunches and bowling for later.

Please remember to complete and submit your registration for next year. We'd like to have everyone's in no later than February 22nd so we can start establishing our classroom sizes and locations for next year.

Enjoy President's Day weekend!

*Blessings,
Mrs. Ingram*

Date Night

Marriage Enrichment Dinner

Bradley Barnes has been living his vocation as a married man for almost nine years. Bradley and his wife Meghan are natives of the Cincinnati area; they met in their early twenties and were married in March of 2010. Since that time, they have seen God work in mysterious and wonderful ways, including Bradley's reception into full communion with the Catholic Church. Though years of marriage have brought hardships to weather, the Lord has blessed them with an abundance of happy memories. Because of the impact that a relationship with God has had in their marriage, Bradley has enjoyed sharing their story at local parishes and various events.

Calling all married and engaged couples! Join us for romance and renewal! Enjoy a lovely catered dinner with adult beverages and delicious desserts, followed by an inspiring and entertaining presentation by Bradley Barnes.
