Announcements

- **Dime Wars are Coming!** The 8th grade class will be holding a dime war from November 7-11.

How does it work?

\$\$

- Each class will have a bucket to put dimes in.
- Dimes make the total go **up**.
- Dollars, quarters, nickels or pennies make the total go **down**. Put those in another grade's bucket and that money will be subtracted from *their* total.
- The winning class will be rewarded with a Pizza Party!
- 80% of the money will go to the 8th grade Washington D.C. trip. The other 20% will go to the John Paul II Medical Research Institute for Cancer Research.

- **Paint Club begins November 11.** Students in grades 3-8 are welcome to join the Paint Club. Click on these links for [the flyer](#) and [permission form](#). Students pay a modest canvas fee, and provide their own paint and brushes. See links for details and recommendations.
