

Wear PINK Tomorrow!

Students are wearing pink tops tomorrow and donating \$1 (or more) for Cancer research. The money will be sent to John Paul II Medical Research Institute, which is a center using research practices that are true to Catholic teaching. Thanks in advance for supporting this lesson of Love in Action. 

Also collecting... Clean, clear, 2-litre plastic bottles for Mrs. Clark's sciences classes. Please send them into the main office with your student. We really need them!
