

IMPORTANT HEALTH INFO: VACCINES

- The [vaccination schedule](#) for all Ohio students now includes a vaccine for seventh graders for meningitis. Our nurses will be back next week and will be checking health records for required vaccinations! There are two dates remaining for the [Clermont Cty. Health Clinic](#), Walgreen's on Ohio Pike has extended hours (appts. & walk-ins), or your PCN should have vaccines available. Please check the schedule to make sure your child is up-to-date.
- Please note that the flu **SHOT** is recommended this year; CDC found the flu mist is not effective this year.

LUNCHES!

We have been enjoying Kaldi's catering in our lunch room, and are working through adjustments. Right now, our biggest **need** is for **volunteer help** out at the tables. This is a nice job: the kids are wonderful, they are generally well-behaved, and the skill set requires wiping off tables, being a friendly face, and occasionally preventing or dealing with disastrous spills. Our youngest students also need help opening the various packages they bring! If you have ANY time during the day, ANY day of the week, parents are needed from 11:30-12:45, with the greatest need between 12-12:45. Contact Kelly to sign up: kellybrokamp@gmail.com. Kaldi's handles the food prep and set-up, but **it's up to us to handle the supervision of the children**. A teacher is assigned to the café each period, to make sure students get settled in. Kids seem very happy with lunch; many of them are taking advantage of the cold line, and I've tried three hot lunches. **So far, I can personally recommend the grilled cheese/tomato soup, the pepperoni pizza, and the spaghetti and meatballs!**

FROM PTO: A welcome letter and school magnet went home yesterday. Have you seen it? Among other things, the letter contains the schedule of PTO meetings this year (every other month), and an announcement that next week's meeting will have pizza from Marco's for you! Based on feedback from last year, Mrs. Ingram will expand her general comments to include more discussion items. Next week, she will use her time to focus on morning drop-off procedures and some of the changes she is considering. Your input is valuable and welcome. Please attend! **Thursday, September 8th 7:00 p.m. in the cafeteria.**

- ✓ **Tonight: [Cub/Boy Scouts](#) Information Night** in the cafeteria at 7:00 p.m. Check it out!
- ✓ **Next Wednesday, Sept. 7, [Girl Scout Information Night](#)**. 7:00 p.m. in the cafeteria
- ✓ **By Friday, Sept. 16th, [Boys Basketball Sign-ups](#)**
- ✓ **Starting Tuesday, Sept. 20th, [CHESS CLUB](#) for Grades 3-8 [Permission Form](#)** 

HELP, PLEASE. We are in need of extra hands and eyes on the playground during recess. Please contact Melissa Milinovich to volunteer. Even if it is one day here and there because of a work schedule, it will help! Email Melissa at icyis01@gmail.com and she'll add you to the calendar. Virtus training required.
