

**Small school. Big heart.**

### **Bookbarks on Channel 9!**

They are famous! Monica Krusling, Rylie Chapman, and Tayah Nedeau, students in Mrs. Duffey's third grade class, raised nearly \$170 cash in only three days through their "Bookbarks" philanthropy and Channel 9 covered it. The girls also collected several donations of pet products for the Clermont County League for Animal Welfare for a total donation of almost \$200. We are so proud of the girls for their initiative and follow-through, and grateful to Mrs. Duffey for supervising their project.

To all the families who supported the fundraiser, THANK YOU for helping the girls' dream come true. Check out the video from yesterday's 6:00 broadcast and share your pride in our students and teachers.

**Click on the cartoon to watch the Channel 9 News video of our students!**
