

A Message about Coop! (Magazine Sale Prizes)

Hello Everyone,

Despite getting more chickens dropped off yesterday from our sales rep, we have run out of Coops again. While this is a great problem to have, I know some kids may be upset (mine included). I am supposed to get more delivered tomorrow afternoon and will do my best to make it to school and fill the orders before school dismisses. Today I was able to fill K-4th grade Coop prizes.

I stopped counting orders at 7:30 last night – lots of orders! Thank you so much for this great response to the Magazine Sale. From this point on, all sales will go towards the fidget spinner competition and the limo ride.

Thank you, all (and your children), for your patience.

Picture Day packets were sent home this week

Lifetouch will be on campus next **Thursday, September 28** for school pictures. Children may wear their school or scout uniform that day, or may “dress up” for pictures. This means that they may be out of uniform, but need to be dressed nicely: Collared shirts and trousers for boys, modest sweaters/blouses, and slacks or modest skirts for girls. No jeans permitted. Please make sure the order form and EXACT payment are with your child(ren) for picture day, **OR** order online ahead of time!

Are you like my mother who LOVED school pictures where children are wearing their school or scout uniform? Or, are you like I was, frantic the day or two before picture day because nothing in the children’s closet seemed to be a good outfit for picture day? Either way, one way to tackle any stress next Thursday is to have your child’s picture taken in a school or scout uniform. I’ll issue out-of-uniform passes for FRIDAY, Sept. 29, for any child wearing a uniform for picture day. ☺

√ By Monday, Sept. 25th, [Basketball Sign-Ups!](#)
