

The 2023 Walkathon is a **Color Run!**

Get Ready for Friday!

We've been having a great time with the Boosters.com program for our annual Walkathon!

On May 12th, instead of our standard laps around the school, we are going to be hosting a Color Run for the school! A color run is an event where participants get a color thrown on them at certain points along the track. (The color is a sort of chalky powder).

Here's the set up for our day:

AM: Rehearsal for the whole school will take place in the gym for the spring concert.

11:30-12:30 Classes eat lunch on their own. Children must bring a packed lunch and a drink for this day, unless they are one of the five who ordered a bagged lunch ahead of time from our cafeteria. No need for recess...we have a BIG outdoor recess next!

12:30-12:45 Eighth Graders get us warmed up to move!

12:45: Principal Pie-in-the-face (tonight's challenge reward)

1:00-2:15 or 2:30 - The **Color Run!**

Students will walk/run the track set up by Boosters.com getting color thrown on them periodically.

- For best results, students may prefer to bring/wear a **white shirt** so that the colors show up better. (The color may stain - make it a shirt you don't need.) **Class t-shirts** are also fine to wear. **Shorts and gym shoes** complete the attire. (Modest length shorts required)
- Volunteers will be gentle throwing color and are aiming for torsos, but if you are concerned about the possibility of your child getting colored dust in their eyes, feel free to send him or her in with a set of **goggles**. Young children will **NOT** be throwing color on one another. Students in grades 6-8 will be able to earn extra bags of color to throw on one another.
- In case of light rain, the event might be able to proceed as planned. In case of heavy rain, the students will be moved into the gym for an alternate event.

Students have been earning prizes for fundraising over the last several days. We are not yet at our goal of \$12,000, so please continue to seek pledges. Remember to set up matching funds if your company sponsors that. Rewards and company matching are viewable on your MyBooster dashboard.

Tonight's challenge: The student with the most **NEW** pledges will get to give Mrs. Ingram a pie in the face on the day of the Walkathon!

**Thank you for all of your help! Pray for sunshine
on May 12!**
