Magazine Drive Made Simple

Tonight: Write the names and addresses (or use mailing labels) for SEVEN friends and family members, one per postcard, in the "Little Book" you child brings home tonight. If your child turns that in TOMORROW, he or she will be given an AQUA COOP!

Tomorrow: Fill in the coupon on the ORANGE flyer, verifying one magazine sale. If your child turns that in by THURSDAY, he or she will get a BABY SHARK COOP!

Between now and September 24: Your child's goal is to sell 6 or more magazines (Donations of \$20.00 count as one "magazine").
If your child sells 6, he or she will earn all 12 Aqua Coops!

A change this year: Coops will only be distributed this week for the Little Book, and/or the orange coupon. All other coops will be distributed only to those students selling 6 or more magazines, and only after the sale is over on 9/24/19.

Any child selling 12 magazines earns a trip to MOD pizza during a school day to be arranged. The family goal (2 or more students at St. B.) is 16 sales in order for all sibs to attend the MOD pizza event.

****Not going to see your child tonight?***

We will continue to accept "Little Books" on Thursday and will award an Aqua Coop for that submission. Baby Shark Coops are only awarded for the first magazine sale by the end of this week (Thursday).

Note: Online sales can be attributed to your child. Online information is in the materials sent home, and I will link the address in this week's newsletter, too.

THANK YOU!
