Want to support St. Bernadette? All you need to do is see a movie; fill-up your fuel tank; buy your groceries; get some new shoes; or just have dinner at a nearby restaurant. It's that easy - just use gift cards available from the St. Bernadette Scrip Ministry.

Gift cards are available after most weekend masses in the Gathering Space. You pay the regular price for each gift card. We maintain a supply of gift cards from many local businesses and some national stores. If we don't have a particular gift card, ask us and we will attempt to get it by the following Sunday. You can also order on-line and pick them up at Church. If you don't know what gift card to purchase for someone, we offer gift certificates (\$10 or \$25) that can be exchanged for a gift card.

Stop by after mass and talk to a member of the Scrip Ministry team.
