### **GRADELINK- Help for Parents during Conferences!**

For the past three weeks our teachers have been upgrading their use of Gradelink in an effort to improve the parents' experience on the site. To this end,

1. The primary teachers are posting their newsletters or links to them on their Gradelink Teacher pages.
2. All teachers are posting assignments ahead of time on Gradelink. This is especially true of grades 3-8. Students in grades K-2 may have assignments listed in their newsletters, too, until parents are more accustomed to the site.

Now it is time for us to make sure all parents can access the items they need.

- Do you know how to **log on**?
- Do you know **where to find** upcoming assignments?
- Did you know that clicking on underlined information will take you to **more detail**?
- Did you know you can look at the **calendar tab** and see the whole month at a glance?
- Do you know how to set your account to be alerted for specific grades?
- Can you access grades, or **download** attachments?
- Did you know that if you have several students in the school, you can toggle between them during a single log in?

If you answered "No" to any of the questions above, you can get **clarification during conferences this week from Mrs. Ingram**. Please stop in the Computer Room (Mrs. Roesel's classroom, across from the Main Office) between 4-5 p.m. and 6:30-7:30 p.m. today. Tomorrow, Mrs. Ingram will be available as needed. OR, to ask for a specific time on either day, just email your request to [lingram@stbernadetteamelia.org](mailto:lingram@stbernadetteamelia.org).

Need your login information? Email Mrs. Ingram and she'll print it or email it to you.

**Please turn in the following forms. These have recently been requested, and will help us with our databases.**

- **The parish registration form** to complete the parish offices records. These records were lost when a server crashed.
- **Emergency notification phone numbers** for us to text the school community and/or send voice message blasts in times of school emergencies.

#### **PARENT/TEACHER CONFERENCES**

- Upper grade conferences are scheduled in half hour groupings of five minutes with each of the core teachers.
- All other grades have traditional conference times.
