# SAINT BERNADETTE SCHOOL

Small school. Big heart.

[Visit Our Website](#)

*Dear Parents and Guardians,*

*Nurse Cathy, one of our volunteer nurses, will begin screening students for hearing and vision. She will be testing any student new to St. Bernadette, plus all kindergartners, and students in grades 1, 3, 5 and 7. You will be sent a report whenever she is able to finish an entire grade.*

*Thank you for supporting our magazine drive so far! If someone in your circle of friends prefers to make a donation to St. Bernadette in lieu of a magazine subscription, please encourage them to write St. Bernadette a check, directly, instead of using the "donation" app on the magazine website. Although it is possible to donate to St. B through the magazine site, there are fees removed from the donation to cover the company's costs. If someone donates directly to St. Bernadette, we receive all of those funds. There is more information about links and prizes in the box below.*

*Another important fundraiser is the purchase of gift cards through the Scrip program. Parishioners can buy gift cards after Mass on the weekends or request cards from specific vendors. St. Bernadette School receives a portion of the value of the gift card and profits vary by vendor. I will be posting a new order form as soon as I receive an updated version. Although you can purchase these gift cards anytime, we will be marketing*

them specifically to school families periodically throughout the school year.

*Attention Kroger shoppers: If you haven't yet done so, please designate St. Bernadette as a beneficiary of the Community Rewards program via your Kroger Card. Remember: You must renew your intention to have St. Bernadette named as your partner each year by updating your account.*

*Do you like our new template for the newsletter? All of the important information is still at your fingertips. For calendar items, keep scrolling, and all hot links are at the bottom of the newsletter.*

*Blessings,  
Lizanne G. Ingram*
