Book Fair Updates

- Books sales are TAX-FREE
- Want your child to participate without cash?
 - Sign up for an E-Wallet account on our book fair page, [HERE](#). Once you are on our book fair page, scroll down and click on the e-wallet icon, set up an account, and prepay the amount you permit your child to use.
- Round up your purchase price at check-out for the "All For Books" program. This program helps us assist low income families with book purchases and helps us buy additional books for our library.
- Remember to check the teacher envelopes for their wish lists. Be an angel and purchase something your child's teacher wants to use in the classroom!
