Small school. Big heart.

Dear Parents and Guardians,

EdChoice Scholarships are being re-litigated in Ohio, but at the moment, we are proceeding with loading income-based applications (EdChoice Expansion) and numbering the order of district-based applications (traditional EdChoice). Those will be uploaded to the ODE portal as soon as the traditional EdChoice application window opens on April 1, assuming nothing more changes.

Please continue to register your children in a timely manner. The registration fee goes up on February 14 to \$225. Current families are asked to enroll no later than March 1 so that we have a reasonable understanding of where seats are available for new families.

Remember to order from LaRosa's tonight!

If your child auditioned for "HONK! Jr." you should have received an email from me with the cast list attached. We have 40 students interested in performing. Now THAT'S a cast!

Blessings on your evening,

Lizanne Ingram
