

What if it SNOWS this week?

So much has gone into the planning of Catholic Schools Week; this is ONE week in the winter we don't want to miss a thing! Here are our plans in the event that winter weather or frigid temperatures cause school closings:

Special Guests to Lunch - If school is cancelled Tues., Weds., or Thurs., we will reschedule only the affected classes for about two weeks out to give you ample time to plan ahead.

Mass at the Cathedral - In the event of bad road conditions, schools can decide to not attend. In the event of school closings, the Mass will not be rescheduled.

Family Skate Night - As long as the Rollarena is open, Skate Night can go on. Proceed as you see fit, or watch for announcements.

Bowling - If school is cancelled on Friday, Bowling will not be rescheduled. However, the talent show can be rescheduled as an all-school assembly later.
