Dear Parents and Guardians,

People have been inquiring about ways to support the Binoeder family in the next several days and weeks. This particular email is going to everyone on our current newsletter list EXCEPT Heather Binoeder.

New dates have been added to the Meal Train set up for them. If you don't feel like cooking, there are ways to donate Grub Hub and grocery gift cards on [the Meal Train site](#), too. Please consider making meal time easier for the family.

There is a Celebration of Life for Marcus at Jimmy B's after the interment at Mt. Moriah Cemetery on Wednesday. If you'd like to contribute to that effort, there are two ways:

1) Donate money through Beth Hoyt's Venmo, noting Jimmy B's. Any money that is left over after covering the appetizers will be given to the Binoeder family. To donate money on Venmo, select **Beth-Hoyt-2** (her photo is attached to this account). **If you need verification, text her cell: 513-319-7837**

2) Donate food for the celebration. [Visit this Sign-Up Genius](#) to commit to donating food for Wednesday. Sign-ups must be in by 3pm Tuesday Sept. 21 so Beth can finalize food orders with Jimmy B's.

Other thoughts:

I do not know exactly what financial needs the family has, but I imagine there are financial needs after so many months of treatment. If you hear of a fund being set up, please let us know and we will let the larger school community know. The school will be facilitating special tuition assistance for the future.

It would be nice to have some kind of lasting legacy in Marcus' name on campus. If you have thoughts about that, please let us know.

Last:

If you have ever lost a loved one, you know that the first few weeks afterward have a lot of tasks to keep you busy, and people can be very solicitous at this time. Weeks later, though, life can be too quiet or lonely. Holidays are difficult. Family events at school and church are difficult. As you progress through the fall and winter and into the spring, if there is an event happening, consider offering to meet up with Heather there or bring her along. Father-daughter and Father-son events will be easier if a classmate's dad includes Ben or Jenna as one of their own this year, and every year after.

Blessings on your family and all your loved ones,

Mrs. Ingram
