

# The Archdiocese is Changing Plans

**Update your VIRTUS account now, before the switch.**

The Archdiocese is moving to a new child safety program called, **SafeParish** on July 1, 2021.

**Please check your VIRTUS account to make sure that your address, phone number and email address are up to date. Make sure you are caught up on your monthly bulletins no later than June 30.**

**SafeParish** will send emails to all current VIRTUS account holders with instructions for registering on the SafeParish website. We anticipate this email and registration process will begin sometime shortly after July 1.

SafeParish **will match** information entered by each user to data transferred from the VIRTUS database to identify the user and transfer information from their VIRTUS account - including background check, B4, training, and monthly bulletin information - to your new SafeParish account. Therefore, it is critical that your VIRTUS account and new SafeParish registration have **identical** demographic information.

*All Volunteers, including field trip chaperones, must be trained. If you are not Virtus trained and would like to be cleared for school or parish participation for the future, watch for announcements about new SafeParish training this summer.*
