SAINT BERNADETTE SCHOOL

Fish Fry cancelled for tonight. Drive through next week!

Small school. Big heart.

Dear Parents and Guardians,

I am so glad we were able to be in school today! I love a snow day as much as the next educator, but it's so much better when they come spaced apart. Today it has been good to hear the students learning and being with one another and as I type this, Valentines are being swapped!

Wednesday, February 24

*The Binoeder Benefit has a **remote option** for those families who would like to participate from the safety of home. Order forms and money to support your bid on a basket are due on Wednesday, 2/24 and items can be picked up on the night of the benefit (2/27). (Click on link above to see the order form.)*

Friday, February 26

Teachers will be getting their COVID vaccines next Friday and we will be adjusting our schedule to allow for this:

Preschool - all classes will meet as usual

K-8 - all classes are REMOTE, and teachers will send you their schedules.

Our second dose of the vaccine will occur on Friday, March 19. This may also be a remote day, depending on the appointment schedule.

Blessings on your weekend,
Mrs. Ingram

8th Grade Spotlight on...

Serena Padgett
Maria Tucker

Serena joined our school community as a first grader and has been an integral member of her class ever since. She has many outside

Maria started St. Bernadette as a kindergartner and almost immediately joined Girl Scouts and sports. She has a wide variety of interests

interests: Serena loves horseback riding, baking and painting. She enjoys making crafts and giving to others. She is always willing to help others, from decorating windows of nursing home residents, to walking her Grandparent's dog each day. Serena also has a black belt in Karate! Serena's many kindnesses are noteworthy but perhaps the most evident one is that of being a supportive big sister to her brother at home and her sister, Elena, who is in the fourth grade at St. B. She is deciding between two schools for high school.

including music and art and she joined Scouts this year with a goal of eventually earning Eagle Scout. Maria has recently found a love for painting, giving away much of her work as gifts. She taught herself how to play the ukulele and writes her own songs. In addition to playing sports, Maria was part of the *Magic the Gathering* Club and Art Club at school. An excellent student, Maria is looking forward to attending West Clermont High School next year and plans to take advantage of the Post Secondary program while there.

MARCUS & HEATHER'S STORY

Marcus Binoeder was recently diagnosed with an inoperable brain tumor. He is seeing a team of physicians at The Barrett Cancer Center and has started a course of treatment. Marcus will be fighting for his life while undergoing radiation and two forms of chemotherapy.

He is a father to two young children, Ben and Jenna. His wife, Heather, has just recently recovered from her OWN battle with cancer for the second time over the summer. Marcus will be unable to work for the foreseeable future, and Heather is not working due in part to her own recent medical battles.

Heather and Marcus have been so generous with their time and resources to so many of us over the years, and they need our help NOW!

FOR MORE EVENT INFO: <https://fb.me/e/3g8DmqeO5>

- **Prayers for Marcus, Heather, Ben and Jenna are continuously needed.** Visit the Grotto in prayer, or go online and offer a **Rosary**, start a **novena to St. Peregrine**, speak from your heart, or simply offer to God any sacrifices you make during the day to the Binoeder's intentions and needs.
- **Meal Train for The Binoeder Family.** The unique link associated with this Meal Train is: <https://mealtrain.com/6wo1wk> Click on the link to sign up to bring the family a meal.
- Would you like to view our students praying the Rosary? Click **HERE** and offer the Rosary for your special intentions and the needs of the Binoeders.

What does it really mean to quarantine?

Quarantining is more than just staying out of the school building. A child who is quarantined may not interact with the public at all, and should wear a mask at home most of the time, especially if he or she has a caregiver who is vulnerable. Children who are quarantining should not be in stores, playing with others outside, or engaging with anyone outside their household until the quarantine is over. They should keep their distance from other members in their household as much as possible.

What does it mean to isolate?

Isolation requires removing a student from the rest of the family in the home. Caregivers should wear masks when interacting with the child and the child should wear a mask, too, even to enter a common area in the home. Disinfectants should be used liberally, and care should be taken to avoid "ongoing exposure" with other family members. When one family member is sick, normal quarantine lengths can stretch into 24 days for the rest of the family if isolation cannot be achieved.

CAN YOU HELP AT LUNCH or RECESS?

We have a great need, and anything you can offer will be appreciated.

WE LOVE OUR VOLUNTEERS

We need volunteers to assist us with lunch distribution. This is an easy volunteer task! Any day you have to offer helps us and we only need you from 11:00-12:30. Working from home? Maybe you could squeeze us in? Sign up for **LUNCH HELP**.

Teachers are eating lunch everyday with their students and supervising on the playground, too, thanks to the pandemic. We could really use some help on the playground so that teachers can get a bit of break at lunch time. Please click **HERE** to sign up for playground help. Virtus required.
