PTO MEETING 7:00 pm - **ZOOM ON IN!**

FREEBIE! Out of Uniform tomorrow...thank you, students, for staying flexible, and working hard! Spirit wear tops, jeans, khakis, athletic long pants, sweatpants and joggers are all OK (no yoga pants or leggings). Staying in uniform is always fine.

Good Evening,

HAVE YOU BEEN VACCINATED? OR DO YOU HAVE COVID ANTIBODIES?

Mrs. Ingram is looking for parents who are lower risk for COVID infection to assist with Open House on January 31 from 12-3. We are hosting visitors by appointment only, and will *not* be showcasing various parent or student groups. Instead, we are providing 30-minute tours to families new to St. Bernadette, or to preschool families considering our Kindergarten next year. I need tour guides to take families through the school, and do not have enough teachers to meet the demand. We are scheduling three families per half hour, and the half-hour tour sessions overlap by 15 minutes to help stagger the traffic and allow distancing. The sign-up is linked to our webpage - 80% of the available spots are filled already!

Please contact Mrs. Ingram if you can help. She will provide talking points and an online training session. Visitors and tour guides will be masked.

CATHOLIC SCHOOLS WEEK FEB. 1 - 5

Our celebration of Catholic Schools Week will look very different from previous years, as you might imagine. Our committee is working on in-class experiences and fostering school community by pairing with other age groups for specific events in-house. Stayed tuned for more details.

VIDEO EDITING SKILLS

We need the help of someone who can edit digital videos for us that are taken on campus and perhaps even assist with filming a few more for marketing purposes. We would like to be able to post some videos on our website for public consumption and the ones we have there are outdated. Also, we have been known to throw a special video out to our families from time to time (Shhh...the faculty would love to do something for CSW) and the folks we have in-house are just too stretched right now to handle editing, too. Call Mrs. Ingram or email her for more information.

COVID INFORMATION NEEDED Still need 50% of our families

It is very important that we are able to keep good statistics on the incidences of COVID in our school community from **December 20 - January 8**. Some families contacted us about positive test results or quarantining, but **we need to hear from everyone, either way**. Please complete this **SHORT SURVEY** so we can track the overall health our school community experienced during the break.

Blessings on your evening,

Mrs. I

What does it really mean to quarantine?

Quarantining is more than just staying out of the school building. A child who is quarantined may not interact with the public at all, and should wear a mask at home most of the time, especially if he or she has a caregiver who is vulnerable. Children who are quarantining should not be in stores, playing with others outside, or engaging with anyone outside their household until the quarantine is over. They should keep their distance from other members in their household as much as possible.

What does it mean to isolate?

Isolation requires removing a student from the rest of the family in the home. Caregivers should wear masks when interacting with the child and the child should wear a mask, too, even to enter a common area in the home. Disinfectants should be used liberally, and care should be taken to avoid "ongoing exposure" with other family members. When one family member is sick, normal quarantine lengths can stretch into 24 days for the rest of the family if isolation cannot be achieved.

WE LOVE

OUR VOLUNTEERS

CAN YOU HELP AT LUNCH or RECESS?

We have a great need, and anything you can offer will be appreciated.

We need volunteers to assist us with lunch distribution. This is an easy volunteer task! Any day you have to offer helps us and we only need you from 11:00-12:30. Working from home? Maybe you could squeeze us in? Sign up for **LUNCH HELP**.

Teachers are eating lunch everyday with their students and supervising on the playground, too, thanks to the pandemic. We could really use some help on the playground so that teachers can get a bit of break at lunch time. Please click **HERE** to sign up for playground help. Virtus required.
