*Hello,*

## CATHOLIC SCHOOLS WEEK FEB. 1 - 5

Some quick updates for you for the week ahead:

1. We need students to bring in games for next Tuesday's Game Day. Games for 2-4 people are best, as we will be staying as COVID careful as possible and limiting the number of players.
2. Please send in items for the Yellow Ribbon care package drive.
3. For Thursday, Vocation Day, we will be sharing parent-provided videos about their careers. Please continue to send those to your homeroom teacher.
4. Students may dress as a specific career on Thursday. The attire needs to be appropriate for the workplace as opposed to WFH attire or fictional.

**COLLECTING NOW THROUGH FEB. 4**

We are collecting items for the Yellow Ribbon Support Center as our school-wide community service activity for Catholic Schools Week. Please see the article, below.

**STARTING NEXT THURSDAY:**

Our focus on 8th graders - celebrating them individually and as a class will become a weekly feature.

*Blessings on all you do,*

*Mrs. I*

The Yellow Ribbon Support Center provides, among other services, Care Packages to our soldiers on active duty. As noted on their website, Army MSG Lou Shaver, who served in the Gulf War in 1991 and Operation Enduring Freedom in 2003, said “Care packages and letters from the states were a tremendous morale booster. Especially from the kids in school. You sometimes feel forgotten by the public.”

**St. Bernadette students and their families are collecting items for care packages and will deliver them on Thursday, February 4, to the Yellow Ribbon Support Center.**

A list of requested items can be found [HERE](#).

Please send your items in with your student (s) and help us show how much St. Bernadette School appreciates our men and women in uniform!

## FINAL BASKETBALL GAME

These 8th grade girls will play their final Basketball game on Sunday, Jan. 31 at 7:15 p.m. Please wishes to Kate Brokamp, Natalie Merz, Abby Busch and Ava Wille. Good luck!

**Natalie Merz #23 Point Guard** - Natalie has played for St. B for the last 6 years. She has become a great offensive player over the years and is very aggressive on defense. She is competitive and gives her all. She is a great leader for her team.

**Ava Wille # 41 Forward** - This is Ava's first year playing basketball. Ava has grown tremendously this season. She fights for the ball and is always an encouraging teammate. She doesn't play like she's new to the game.

**Kate Brokamp #31 Forward** - Kate has played for St. B for 4 years, taking a break the last couple years. Kate rebounds the ball well and has learned so much about the game. Kate works hard at practice and it shows during games!

**Abby Busch #40 Forward** - Abby has played the last several years. She is an aggressive player and a strong presence on the court. Although an injury this year has her out most of the season she still is there to cheer on her fellow teammates every game! Great sportsmanship!

These young ladies have represented St. B well over the years. Good luck this weekend and in the future.

Go Sabers!!

### MORE HELP FOR THE BINOEDERS

Don Rigos in Amelia wants to help the Binoeders by donating 30% of food orders on Monday, February 15th. Carryout or dine-in during the lunch and dinner hours. Just a reminder that we are off that day so that would be a great day to eat out. Mention fundraiser when ordering. Thank you for your continuing support.

### **What does it really mean to quarantine?**

Quarantining is more than just staying out of the school building. A child who is quarantined may not interact with the public at all, and should wear a mask at home most of the time, especially if he or she has a caregiver who is vulnerable. Children who are quarantining should not be in stores, playing with others outside, or engaging with anyone outside their household until the quarantine is over. They should keep their distance from other members in their household as much as possible.

### **What does it mean to isolate?**

Isolation requires removing a student from the rest of the family in the home. Caregivers should wear masks when interacting with the child and the child should wear a mask, too, even to enter a common area in the home. Disinfectants should be used liberally, and care should be taken to avoid "ongoing exposure" with other family members. When one family member is sick, normal quarantine lengths can stretch into 24 days for the rest of the family if isolation cannot be achieved.

### **CAN YOU HELP AT LUNCH or RECESS?**

We have a great need, and anything you can offer will be appreciated.

We need volunteers to assist us with lunch distribution. This is an easy volunteer task! Any day you have to offer helps us and we only need you from 11:00-12:30. Working from home? Maybe you could squeeze us in? Sign up for **LUNCH HELP**.

Teachers are eating lunch everyday with their students and supervising on the playground, too, thanks to the pandemic. We could really use some help on the playground so that teachers can get a bit of break at lunch time. Please click **HERE** to sign up for playground help. Virtus required.
