# SAINT BERNADETTE SCHOOL

School  
Website

Parish  
Website

Small school. Big heart.

Dear Parents and Guardians,

Our teachers get excellent training and formation as Catholic educators through School of Faith. Whether we are digging deep into scripture or talking in small groups about our call as educators, Dave Staples from School of Faith gets us thinking and praying.

You have a unique opportunity **next Tuesday, April 5 at 7 pm to meet Dave**. He will be presenting *The Man of the Shroud* - a unique and unforgettable exploration into the Shroud of Turin. The Church doesn't declare the Shroud of Turin a relic of Christ's Crucifixion but has left that up to science. It has become the most examined ancient artifact in the world.

While exploring one of only 100 full-size photographic reproductions of the Shroud from the 1978 STURP investigation, Dave will help us explore what modern scientific evidence today tells us about the man in the Shroud, and what that man experienced on the day of his crucifixion. I have experienced this presentation and highly recommend it. Thinking about Christ's crucifixion and death while examining the full-size photograph is an awesome opportunity for students, parents and parishioners. Please attend!

### Uniform Shirts and Saberwear Currently Unavailable

Because of supply chain issues and out-of-stock polo shirts, Worldwide Apparel, our purveyor for uniform polos and Saberwear, has temporarily shut down its website. Jason has donated a lot of embroidered white polo shirts to our PTO for sale and

those will be available the next time there is a used uniform sale. We will let you know as soon as the green or gold polos are back in stock and Jason can accept orders again.

Blessings on your evening,

~Mrs. I

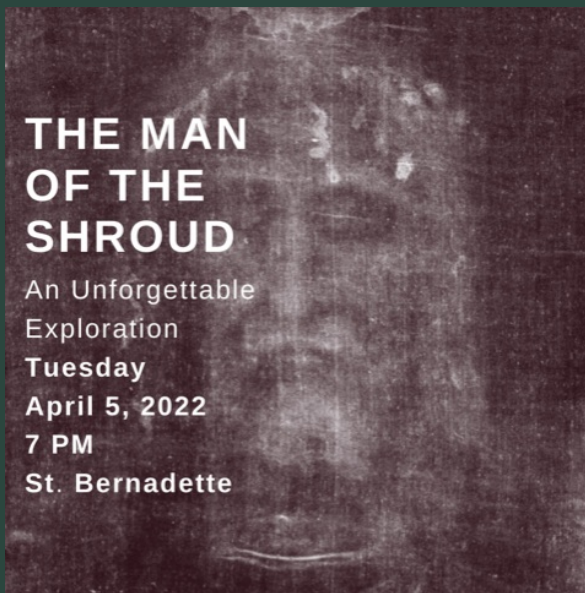

*P.S. Need a vaccine or booster? The COVID hotlinks remain available at the bottom of the newsletter. We add names of students to our list of COVID vaccinations every week. Please let us know when your child receives his or her second vaccination, and update us on boosters, too. Like students who have had COVID in the previous 90 days, students who are two weeks past their second vaccination do not have to quarantine if they are a close contact. It helps us to know who you are!*

## On behalf of the St. Bernadette Boosters, we would like to thank you for your support during the 2022 Fish Fry!

We cannot begin to thank everyone who volunteered, donated desserts, enjoyed a yummy dinner, or devoted countless hours to make each week successful. We are beyond grateful for the support from the church & school community! It was amazing to see new and old faces join in the fun and chaos of each Friday!

We look forward to continuing to grow the "Fish Fry" community with the support of the Boosters as well as the school & parish communities.

Thank you for a wildly successful Lenten season!

### JOIN US NEXT TUESDAY!

Please come to see this amazing photograph and hear what scientists have to say about the Shroud. Whether you are a history buff, fan of forensics, or looking for a unique anchor to your Lenten experiences, exploring the Shroud of Turin with Dave Staples, Instructor for School of Faith, and Mission Speaker on the Shroud of Turin, is time well spent.

### 2022 SVTM VIKINGS FOOTBALL

"BUILDING TEAMWORK"  
"FAITH, FAMILY, FOOTBALL!"

The SVTM Football program represents the parishes of St. Bernadette, St. Thomas More, and St. Veronica and has a team for every grade level from Kindergarten through 8<sup>th</sup> grade to join other Catholic schools and parishes in the Tri-State area to compete in the Greater Catholic Youth League.

**Bandit:** The pride of SVTM is at the Bandit level which comprises kids from Kindergarten through 2<sup>nd</sup> grade in an exciting and educational environment where they can learn to play the game safely. With coaches on the field during play, and rules set-up to promote safety and fair play, it is a great level to learn the game.

**Pony:** Football at the Pony level joins 3<sup>rd</sup> and 4<sup>th</sup> graders on a team that begins playing competitive football for the first time. With enhanced playing time goals over rival programs the Pony level is still an attractive level for first year players. The weight limit in Pony Football is 120 pounds.

**Reserve:** Football at the Reserve level joins 5<sup>th</sup> and 6<sup>th</sup> graders on a competitive team where kids learn more in depth football schemes. The weight limit in Reserve Football is 140 pounds.

**Varsity:** Football at the Varsity level joins 7<sup>th</sup> and 8<sup>th</sup> graders on a highly competitive level in a highly competitive league. The weight limit in Varsity is 170 pounds for a ball carrier and 175 for a lineman.

**Player Safety** is of the utmost importance at SVTM. SVTM has a Player Safety Coach that is trained by USA Heads UP Football in player safety and proper technique. All coaches are trained and certified by USA Football in "Heads Up Football" and all players are taught the "Heads Up Football Tackling and Blocking" system. We have some of the best equipment around with new shoulder pads and helmets that are all reconditioned regularly. We also have a certified trainer from Mercy Health at all home games to help if needed.

**Registration** to join the SVTM Football program during the 2022 season is open from March 1st through April 14<sup>th</sup>. Registration covers most necessary equipment. You can register online after March 1st at: [www.gosvtm.com](http://www.gosvtm.com)

### Volunteer Opportunities

We've refreshed our Sign-Up links for Lunchroom Help and Recess Duty. Please consider spending time on our campus in these positions. Both of these "jobs" give you an opportunity to see our students socialize and play. Children love seeing their mom

or dad on campus - particularly the younger students. (Older students might complain or ask you not to come, but down deep, they're proud of your participation and support!) The links for these signups are in the QUICK LINKS, below.

### All Volunteers and Staff must register with SafeParish.

The Archdiocese is now using SafeParish exclusively for safe environment compliance. Even if you have had a Virtus account, you must open an account with SafeParish. Virtus accounts are no longer being used. Instructions for setting up your SafeParish account are [HERE](#). New to volunteering? You start by opening a SafeParish account, get the needed on-line training, and learn about any required background checks. Click on the link to get started!

If you are interested in volunteering for cafeteria or playground duty, please see the links below to sign-up through Sign-Up Genius.
