Small school. Big heart.

Dear Parents and Guardians,

West Clermont's Child Nutrition Department has finished uploading all of our student IDs into their payment system.

Yesterday, I sent you your GradeLink login information, on which your student's ID number appears.

Now it's time to set up your accounts for Lunch service. When you are asked for a school district, type in **West Clermont** or West Clermont LSD when offered a drop down menu.

1) Set up your Titan account: Go to <https://family.titank12.com> and register. Once you've verified your email and the account is active, link your student(s) to your account by clicking on the + button. This is where you will need their student ID number from the Gradelink login page.

2) Set up your PaySchools Central account: Go to <https://www.payschoolscentral.com> and follow the prompts.

The PaySchools Central program allows you to put money on the account via a credit card, and set up automatic replenish so your account never gets low. Be aware that each credit card transaction costs \$3.00.

The Titan account allows you to see exactly what your child took in the cafeteria line for lunch.

For now, no extra snacks are being offered in the service line but we will start selling them soon now that our students are linked to the system.

CAN YOU HELP US?

Lunch Volunteers are needed, as are Playground Volunteers. In the cafeteria, volunteers assist our youngest students with opening packaging, help keep order in the room by being a friendly presence, and help the teacher in charge wipe down tables in between lunches. Cafeteria volunteers typically arrive by 11:40 and are finished by 12:50.

On the playground, volunteers are another pair of eyes keep watch for any problems that may arise like providing band-aids for scrapes, or allowing a student to go inside to use the restroom. Playground volunteers are needed from 12:15-1:15.

To volunteer for the playground or cafeteria, please contact me. SafeParish clearance required.

Blessings on your evening,

Mrs. Ingram
