Celebrating 8th Grade Girls BB!

Dear Parents and Guardians,

Our eighth grade girls will play their last home game this Saturday at 4 p.m. Please come and cheer them on; arrive early for the ceremony!

I hope you had a blessed Christmas, filled with family time and some rest as well. Now that January is here, we are working hard on our annual Open House and Catholic Schools Week.

We will have more to communicate about those events after next week's meetings.

PTO has updated the recess and lunchroom links to include 2023. Please consider

giving us some of your time to assist with supervision in the cafeteria and on the playground. Dates and times are shown on the sign ups. We appreciate your assistance!

Our faculty remains hard at work on our Accreditation process. We are finalizing our goals for the next cycle, and will have our materials assessed by an External Visiting Team in March.

Set up your Titan Account for school lunches.

Lunches are provided through West Clermont School District and are made on our premises. **Lunches are \$3.00 this year.**

To set up your account, you will need your child's school ID number. This is the same ID number seen on your child's Gradedlink page.

You should be able to create your Titan account, load the PaySchool account and apply for free or reduced priced lunches.

You May Be Eligible

Even families who don't receive government subsidies can be eligible for Free or Reduced Priced lunches. Go to your Titan account and click on "Meal Application." Click through the form until you are able to note your income or other qualifying circumstances. Although families receiving SNAP benefits are automatically eligible, they still have to apply every year. Make sure you've taken advantage of this service, if you are able.

Apply for free or reduced priced lunches.

This service requires SafeParish registration. Get your steps in and spend a half hour from 10:00-10:30 for morning recess, or about an hour during lunch recess. Your presence will increase playground safety by giving the teacher on duty another pair of eyes, and the kids will love seeing you there!

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

We have a modest supply of rapid tests. Call the office if you need one.
