

Dear St. Bernadette Families,

We are so grateful for your continued support throughout the past 10 months of COVID challenges - from going to remote learning abruptly last March, to completing surveys and participating in the solutions we found to make in-person learning possible this year, you've been amazing.

None of us knows how much longer we will be asked to mask up, distance, and layer in other protocols to keep students and teachers safe, but we do know that your cooperation, patience, and positive attitude have been invaluable. Your children are happier for it - of this we are certain.

As a token of our appreciation, families returning to St. Bernadette next fall have been given a \$50 discount on early and regular registration fees. If you register by Thursday, February 11, your registration fee is \$125. If you register after that date, your fee is \$175.

The chart below shows you the specific breakdown of tuition tiers. I want parents to see the contributions parishioners make to our tuition structure in more detail.

Tuition Rates 2021-2022

Registration K-8 \$175 per family; \$225/family after Thursday February 11th

Re-enrolling is very simple this year. Go to your Gradelink account and click on the tab (on the left) titled, "Re-enroll." This is where current preschool families and current K-8 families can advance their children to the next grade for enrollment next year.

If you haven't visited Gradelink in a while and cannot remember your login information, just [email me](#) or [Mrs. Ell](#) and we can re-send you the Gradelink document with your specific information. Once you have logged in with the password Gradelink issues, you can change it to something memorable to you.

If you are adding a NEW student to our school from your family, you will select "Have a new student to enroll?" (see below) and proceed from there.

Your registration is finished when you have completed all of the online forms in Re-Enroll and have paid your family's registration fee. For now, checks can be sent into school, but we will be launching links for online payment as well.

Preschool tuition is listed below. Preschool is a separate entity from the K-8 tuition and fee structure, so please be aware that the two programs have separate registration fees.

2021-22 Preschool Tuition			
	3 yr. old	4 yr. old	4 yr. old
	2 days AM/PM	3 days AM/PM	5 days AM/PM
Tuition	\$1,735	\$1,950	\$2,370
Registration	\$130*	\$130*	\$130*
*(Includes \$75 Supply Fee)			

All of our previous registration forms are included, somehow, in the templates Gradelink has set up for us. You will not be receiving a "second packet" or a "Registration Part II" request anymore.

The only additional items we may need are the documents we require of new students, such as birth certificates, release of records from other schools, and teacher recommendations for transferring students.

We hope you find this new system easy to navigate and convenient. Let us know if you have any questions or problems. Your feedback is very helpful.

Gratefully,
Mrs. Ingram
