**A Message
from the
Principal**

Dear Parents and Guardians,

Tonight I am meeting with a small group of parents and Officer Doerman to walk through our buildings and determine our vulnerabilities so we can develop the next steps in safety upgrades.

We are hosting a **Safety Information Night** on Monday, May 15 at 6:30 p.m. All parents/guardians are welcome. Officer Doerman will be giving parents an overview of ALICE* training, and fielding your questions about keeping children safe at school and in the community. I intend to share with parents whatever items are identified for upgrades so that you know where we are and where we are going with school safety. Follow-up meetings will be planned for those interested in assisting us with the upgrade efforts.

Student Council is hosting a dance and social for grades 6-8 on Saturday,

May 6 from 6:30-9. Tickets are \$5.00 in advance and are \$7.00 at the door. St. B students may bring one guest to the event, but the ticket is \$10.00 for a guest and must be purchased in advance (*no later than Thursday, May 4*). There are permission slips needed for both St. B. students and their guests. The permission slips have been distributed, and Mrs. Proffitt has extra copies.

the closer we get to May and June, the longer our list of flyers gets! Please check out all the programs and opportunities for this summer, and remember to mark your calendars for the "Looking Ahead" dates, too.

In Christ,
Mrs. Ingram

P.S. Here comes the last Pizza challenge next week. Let's make it our best turnout this year!

* ALICE Training – the original civilian active shooter response training delivered with a trauma-informed approach in an age- and ability- appropriate way.

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

We have a modest supply of rapid tests. Call the office if you need one.
