**A Message
from the
Principal**

Dear Parents and Guardians,

PTO has launched another fun-filled event: St. Bernadette School Night at the Beechmont Rollarena! It's this coming Tuesday night from 6:30 - 8:30. See the details below.

TESTING

We are more than halfway finished with Iowa Testing! We have two more testing sessions next week: Monday 3/20 and Tuesday 3/21. Please make every effort to have your child here on time with a breakfast in their tummy. Students may drink water and have peppermints during the tests. Please note: only peppermint is permitted because the aroma helps stimulate the brain. Other flavors of mints or

candies are not permitted.

SIGN UP FOR THE FLYING PIG!

See the information below about the 26th mile Flying Pig event for children. We'll walk/run that last mile as a school! Running Club is getting underway to help children work on miles one through twenty five. Check out the article below!

RAFFLE TICKETS for the festival's grand prize are now available for purchase. Don't miss this opportunity to win \$10,000! Only 2000 tickets will be sold, so get yours now!

Reminders:

Sixth and seventh grade families are asked to provide desserts for tomorrow night's Fish Fry. Scroll down to see the poster for details.

Check out the links for Totus Tuus Registration, **and** for volunteering to assist. We also have links to get volunteer information about the festival, and the Grand Raffle. See the "Church News" info box below.

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

We have a modest supply of rapid tests. Call the office if you need one.
