SPRING CONCERT ATTIRE

All students: Leave the dark wintry colors at home (dark green, navy, brown, etc.). No white or black...it's all about color!

Boys: Collared shirt in a single (solid) summer or spring color (no white or black); necktie (long preferred) and uniform pants. School shoes or dress shoes - no flip flops.

Girls: Dress or skirt with coordinating modest top. Bright colors, pastels or florals, please. Hems must be at a modest length (about 4" above the knee or longer). If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

We have a modest supply of rapid tests. Call the office if you need one.
