**A Message  
from the  
Principal**

Dear Parents and Guardians,

Pictured above are our seventh graders who attended a field trip to the Art Museum this week. Thank you to the parents who provided transportation, and to Mrs. Nickels who arranged it.

We had so much fun on Field Day! Thank you to Mr. Reardon for all of his planning and organization, and to the parent volunteers.

Congratulations to **DURBIN HOUSE**! They won the Sportsmanship Trophy at

today's Field Day, and congratulations to **NEVIN HOUSE** who took first place in Games!

Houses continue to earn points through the end of the year as students earn excellent grades or receive other recognition. All house points will be tallied and the **HOUSE CUP** - the House with the most points for participation in philanthropy, daily or weekly positive behaviors, trimester achievements, end-of-year awards, and field day - will be awarded next week.

Tomorrow, following our 8:15 Mass, we will recognize kindergarten through seventh graders for their personal growth, citizenship, sportsmanship and academic strength (grades 4-7). The awards assembly will be live-streamed through our parish website.

Tomorrow morning at 10:00 a.m. our four-year-olds from Preschool are graduating!

At 7:00 p.m., our 8th graders will have their Baccalaureate Mass, followed by awards and the conferring of diplomas. A reception with light refreshments will follow in Ventura Hall.

Please be sure to scroll through all of the announcements and summer opportunities below. We have some new information to consider.

Have a blessed evening,  
Mrs. I

P.S. The students presented Mrs. Ell with Part II of her retirement gift from the St. Bernadette community: an overnight stay downtown after the Reds game, and LOTS of gift cards to Red Lobster. We took a picture

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

***We have a modest supply of rapid tests. Call the office if you need one.***
