### A Message from the Principal

Dear Parents and Guardians,

Our tour of the campus last week gave us some good ideas with regard to school safety. I hope a number of parents will be able to join us on

Monday, May 15 at 6:30 p.m. for a **Safety Information Night**. All parents/guardians are welcome. Officer Doerman will be giving parents an overview of ALICE\* training, and fielding your questions about keeping children safe at school and in the community. I intend to share with parents whatever items are identified for upgrades so that you know where we are and where we are going with school safety. Follow-up meetings will be planned for those interested in assisting us with the upgrade efforts.

Safety preparations are not limited to improvements to the building or campus. It is

really important that our children know when to speak up, how to refuse someone else's bad idea, and how to ask for help. In addition to the Theology of the Body strand in our religion curriculum, we are launching the **Circle of Grace** program for our students in grades K-8. I'll be sending home a separate letter describing more about this program, which is required by the Archdiocese and which complements the SafeParish themes of keeping children safe. The age-appropriate lessons include a home component, too. We will cover this curriculum in the coming weeks and continue in the early fall next year so that students have a reminder close to this year's introduction, and can refer to the skills taught all year long.

Our Walk-a-thon is off to a great start! Last night's challenge was to upload Star Student videos to our site. Mrs. Schooley's Homeroom had the highest percent of students participate and they will get an extra recess! See the panel below for our stats so far, and the challenge for this weekend. Remember: registration is FREE!

### **FAMILY FUN NIGHT IS TOMORROW NIGHT! ARE YOU COMING?**

**Student Council is hosting a dance and social for grades 6-8 on Saturday, May 6 from 6:30-9.** Tickets are \$7.00 at the door, and require a signed parent permission slip to enter. Guest tickets and permission slips were due today, so no new guest requests can be honored. All students need to arrive no later than 7:00, when the doors will be locked.

Many of us have one foot in the 2023-2024 school year already! You can, too, by ordering your school supply kit. This is a PTO service to parents that makes the start of school so much easier. See the panel below for details.

May the Fourth Be With You!

P.S. I am heading to LaRosa's to pick up my order for our final Pizza Challenge. How about you?

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.
