Set up your Titan Account for school lunches.

Lunches are provided through West Clermont School District and are made on our premises. **Lunches are \$3.00 this year.**

To set up your account, you will need your child's school ID number. This is the same ID number seen on your child's Gradedlink page.

You should be able to create your **Titan account** and load the PaySchool account, **too**. AND you should be able to **apply for free or reduced priced lunches.**

You May Be Eligible

Even families who don't receive government subsidies can be eligible for Free or Reduced Priced lunches. Go to your Titan account and click on "Meal Application." Click through the form until you are able to note your income or other qualifying circumstances. Although families receiving SNAP benefits are automatically eligible, they still have to apply every year. Make sure you've taken advantage of this service, if you are able.

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

We have a modest supply of rapid tests. Call the office if you need one.
