BOOK FAIR

The Book Fair will be here the week of October 24-27. You may have already heard from your child's teacher about this. Your child will have the opportunity to visit the book fair as part of their school day. In addition, you will be able to visit it during the Parent/Teacher Conferences. The book fair will be open on Monday from 9:00 - 6:00 and Tues, Wed & Thurs from 9:00 - 6:30. We are still looking for volunteers so please visit the SignUp Genius below if you can help out.

SVDP FOOD DRIVE

Monday, November 7 will be the start of our Annual Food Drive! Students will earn one house point for every canned good or pantry item donated. We are stocking the pantry for St. Vincent DePaul's food pantry. Points are also awarded for dollars donated. One point for every dollar. Please be generous! That box of macaroni and cheese only helps if there's some cash to buy milk and butter. SVDP is happy to receive our cash donations too.

Set up your Titan Account for school lunches.

Lunches are provided through West Clermont School District and are made on our premises. **Lunches are \$3.00 this year.**

To set up your account, you will need your child's school ID number. This is the same ID number seen on your child's Gradedlink page.

You should be able to create your **Titan account**, load the **PaySchool account** and **apply for free or reduced priced lunches.**

You May Be Eligible

Even families who don't receive government subsidies can be eligible for Free or Reduced Priced lunches. Go to your Titan account and click on "Meal Application." Click through the form until you are able to note your income or other qualifying circumstances. Although families receiving SNAP benefits are automatically eligible, they still have to apply every year. Make sure you've taken advantage of this service, if you are able.

Apply for free or reduced priced lunches.

If you or your child is exposed to someone with COVID, wear a mask for 10 days. If symptoms develop, assume you are positive for COVID and start the isolation period. If you remain symptom free, test on Day 5. If the test is negative, finish out the remaining 5 days wearing a mask. If you test positive, begin your isolation period.

If a parent is positive, it is important to isolate away from your child(ren) at home, otherwise you continue to expose the child to COVID and the mask wearing will continue 10 days past your last date of infection. (yikes) Children who are close contacts should absolutely stay in school and stay masked for 10 days. Teachers will also be masked whenever they are a close contact.

We have a modest supply of rapid tests. Call the office if you need one.
