Spirit Days are often themed by color, cause, or team colors. Students choosing to be out of uniform on spirit days must follow the guidelines for that day, wear the regular uniform or their class spirit shirt, purchased in the beginning of the school year. Some out-of-uniform days are permitted only for students participating in an optional fund-raiser. All students out-of-uniform on those days are expected to donate to the fundraiser and dress in the stated theme/attire, otherwise, students should be in uniform. In general, shirts must have sleeves and must extend to the waistline of the pants. NO inappropriate or provocative logos or slogans. Clothing depicting themes or logos of a Christian nature or pertaining to the school’s or sport’s teams is permitted.

Dresses and Skirts: Hems must be at a modest and appropriate length. Dresses must have sleeves that cover the shoulders and the tops of the arms. No revealing necklines or designs that reveal the back. No sheer, see-through material.

As a rule of thumb, modesty should be shown in clothing. Clothing that is immodest or does not meet these standards may not be worn. If it is, students will need to replace it before being admitted to class.

Dress Code for Other School Functions: Appropriate wear will be designated by the Principal, Music Teacher, Drama Director for special occasions such as Christmas play, school drama production, and other special school functions during the school year. Dress code for field trips will be determined by the teacher in charge.
